## Attendance Policy & Discipline

It is the policy of most language schools that no student is allowed into their classroom if they are more than 15 minutes late for class. They will therefore miss that morning's lessons or part of that morning lessons. This is to minimize disruption to other students and the teacher. Lessons missed due to lateness are not replaced. Students are required to attend at least 80% of scheduled classes and to complete all homework assignments. Failure to do so may result in the withholding of course certificates. If a student repeatedly does not attend classes, then disciplinary action may be taken. In the case of any student requiring a visa to study and failing to attend classes regularly, the appropriate authorities will be informed of any such failure. Regular absenteeism could lead to the student being expelled and no refunds will be given.

The use of mobile phones in the classroom is strictly forbidden. Mobile phones are to be switched off during lessons. Teachers reserve the right to confiscate mobiles if used during a lesson.

Prime Language Courses expects all of our students to maintain decent and reasonable standards of behaviour at the school and in our accommodation.

If a student regularly misbehaves or causes disturbance of any kind or fails to observe school and accommodation policies, guidelines, rules and regulations they will be subject to any disciplinary action that the chosen school/accommodation may deem fit.

In such cases the student will have no right or claim to any refund whatsoever.

## Policies & Rules

All students are bound to abide by the policies and rules of the chosen school and by the laws governing the country. When a reservation is made by an agent or third party, the person making the booking is responsible for informing the student about the school's terms, conditions, policies and rules. Ignorance of the policies and rules will not be accepted as an excuse for non-compliance and may lead to expulsion of the student from the school.

Schools expect all its students to be well-motivated, polite and considerate towards staff, host families, other students and the public in general. The school may, without being held liable in any manner whatsoever, exclude students from any service applied for, if, in the opinion of the directors, management or staff they appear likely to endanger their own health, safety or comfort, or that of other students, or damage the property or reputation of the school, sub-contractors or third parties.
